

Yarraman Station Car Park

Early works – March 2022

The Victorian Government's Car Parks for Commuters Program is building new and upgraded parking at stations across the state. This will free up local streets and make it easier for passengers to catch the train. It will also increase safety with improved lighting and CCTV.

Yarraman Station commuters will soon benefit from 55 new and upgraded parking spaces. New lighting, CCTV and bicycle parking will be installed to make it safer for commuters and more convenient for people to ride to the station and further ease pressure on car parking.

What to expect?

Works will start from late March and include set up of the construction site, vegetation removal and car park construction. Works are expected to be complete by late 2022.

Works will include:

- Set up of temporary fencing for construction around the new car park location on the corner of Hanna Street & Chandler Road.
- A site office will be located on Railway Parade, north east of the new car park location. See map overleaf.
- Pending final planning approval, major works will follow, including vegetation removal, ground improvement works, building pavement layers, drainage, asphaltting, line-marking, signage installation and landscaping.
- You may notice some construction noise and activity, with vehicles and workers moving around the area.
- Temporary traffic management measures may be in place, however, access to your home or business will be maintained at all times.

Works will occur **Monday to Saturday**, between **7.00am** and **6.00pm**, with some weekend and out of hours works required at times.

Vegetation

- Creation of the new car park will require the removal of 1 tree.
- In return the project will plant more than 3000 new plants including trees, shrubs and understory species part of the site reinstatement.

Bicycle Parking Facilities

The project will install 26 new bike hoops and a Parkiteer, located at the station entrance, creating an additional 78 bike parking spaces.

Health and safety

The health and safety of our workers and the community is our key priority. Our team apply safe physical distancing measures in line with current health advice.

We have strict protocols in place to protect the safety of our team and the public. This includes enhanced industrial cleaning arrangements, providing our team with personal protective equipment, and measures to reduce staff contact, including staggered shifts.

For more information and advice about the outbreak of Coronavirus, please visit coronavirus.vic.gov.au

Kind regards,

The Car Parks for Commuters Team
