

Yarraman Station car park

Night works: Friday 27 May – Monday 30 May

The Victorian Government's Car Parks for Commuters Program is helping deliver 11,000 new and upgraded car parks at railway stations across the state. This will free up local streets and make it easier for passengers to catch the train. It will also increase safety with improved lighting and CCTV.

Yarraman Station commuters will soon benefit from 55 new and upgraded parking spaces. New lighting, CCTV and bicycle parking will be installed to make it safer for commuters and more convenient for people to ride to the station and further ease pressure on car parking.

Upcoming Night Works

In addition to our standard working hours, we will work overnight from **7pm Friday 27 May to 7am Monday 30 May** to carry out critical works in Yarraman Station car park on Railway Parade.

Works will include

- Installation of temporary fencing around the work site.
- Vegetation removal in the existing car park.
- Saw cutting of asphalt and trenching to lay conduit for future services.
- Tidying the area after works completed.

We will make efforts to mitigate the impact of our construction activities by scheduling noisy works during the day or earlier in the evening where possible.

How this will impact you

- Buses will replace trains on the Pakenham line between Caulfield and Dandenong from **10.30pm Friday 27 May to 3am Monday 30 May**. Plan ahead at ptv.vic.gov.au
- The Yarraman Station car park on Railway Parade will be closed. Access to the station will be maintained.
- Vehicles and workers will be moving around the area. You may notice some construction noise, vibration and light.

- Temporary traffic management will be in place around the work area. Access to residences and businesses will be maintained at all times.

If you would like to talk to a member of the project team about this work, please contact us on the details below.

Kind regards,

The Car Parks for Commuters Team
