

Drouin Station car park – temporary lane closure

August 2022

The Victorian Government and Australian Government have partnered to deliver more commuter car parking for Drouin Station. This will help free up local streets and make it easier for passengers to catch the train. Commuters will soon benefit from new and upgraded parking spaces, new lighting, CCTV and more bicycle hoops.

What's happening

- To safely complete essential works for the Drouin Station car park, one outbound lane will be closed on Main South Road, between the bridge and Porter Place from **Monday 22 August to Friday 2 September** between **9.30am and 3.30pm**.
- The lane will reopen during peak hours to minimise impacts on local traffic.
- Traffic management will be in place to help you move safely through the area.
- Access to residences and businesses will be maintained at all times.
- The new Drouin Station car park will open before the end of the year.

Thank you for your patience during works.

Kind regards,

The Car Parks for Commuters Team
