

Upper Ferntree Gully Station car park

Road closure – October 2022

The Victorian Government's Car Parks for Commuters Program is helping deliver 11,000 new and upgraded car parks at train stations across the state. This will free up local streets and make it easier for passengers to catch the train. Upper Ferntree Gully Station commuters will soon benefit from 30 new and upgraded parking spaces, new lighting, CCTV and bicycle parking.

What's happening

- We're carrying out the final stages of works to finish the new and upgraded car park at Upper Ferntree Gully Station.
- To safely complete critical works, including line marking, Hilltop Road will be closed intermittently at the level crossing between **7am and 7pm** from **Tuesday 4 October to late October**. Pedestrian access will be maintained at all times.
- The upgraded Upper Ferntree Gully Station car park will be open before the end of the year.

How this will impact you

- A detour will be in place to access to Railway Avenue and Hilltop Road via Forrest and Quarry Roads.
- Traffic management and detour signs will guide you safely. Please refer to detour map below.
- Access to residences and businesses will be maintained at all times.
